DEFUNCTS AMERICAN IN CUBA.

The recommendation made by President McKinley in his recent message to Congress that a sum of \$50,000 should be voted for the relief of American citizens in Cuba who have been rendered destitute through the insurance of their property, has been approved by the House of Representatives. The vote has already been approved by the Senate, and the House has now concurred in the Senate's resolution on the matter.

THE UNITED STATES AND CUBA.

The United States Senate has adopted a resolution recognizing the independence of Cuba, and according to Cuba and Spain the military rights of the United States. The resolution was carried by 40 yeas to 16 nays, and when the result was announced it was received with great applause by the audience present in the gallery.

GREAT BRITAIN AND THE TRANSVAAL.

It is reported that an amicable settlement of the existing difficulty between Great Britain and the Transvaal will be effected as a result of the interviews now taking place between Mr. Chamberlain, Secretary of State for the Colonies, and Dr. W. J. Leyds, lately State Secretary of the Transvaal, Minister Plenipotentiary in Europe, with domicile at The Hague, London, 22nd May.

THE TRANSVAAL STATE.

It is announced that Dr. Leyds, the late Transvaal State Secretary, and now diplomatic representative of the South African Republic in Europe, who has lately been conferring with Mr. Chamberlain, has abandoned his proposed visit to Berlin to prevent any suspicion that the Transvaal Government was negotiating with the Emperor William of Germany.

THE COLONIES AND THE EMPIRE.

Colonel Lister, who is in command of the New South Wales Mounted Rifles, was entertained at dinner last evening by the Queen's Westminster Volunteers, and in replying to the toast of his health he declared that Australia gave to Great Britain the best of all soldiers, and that the United Empire would be able, if necessary, to resist the world.

THE QUEEN HONOURABLE AT PERIMIA.

News from South Africa states that at Perim, the capital of the Transvaal, a royal salute was fired in honour of the Queen's Birthday, and both Houses of the Volksraad adjourned on that day as a mark of respect to her Majesty.

RETRAYING PLANS OF RECONSTRUCTION.

A man named Furler, an employee of the Government at Leipzig, in Saxony, has been sentenced to four years' imprisonment on the charge of betraying to the Russian Government the character of the fortification at Thorn, a town in West Prussia, near the frontier of Poland. An accomplice named Albrecht was sentenced to six months' imprisonment.

PRINCE NAVAL PROVISIONS.

The Naval Committee of the French Chamber of Deputies propose to expend 300,000,000 francs (15,000,000 £) on the construction of new ships and the fortifying of naval stations.
